

Other ways you can help

Habitat for Humanity is looking for people who want to continue the dream of building decent homes for North Collin County. There are several ways you can help as a Carpenter's Club member:

- Give your time
- Join a group of volunteers
- Mentor families
- Fundraise
- Make a donation

You can also make tax deductible gifts of:

- Land
- New building materials
- Funds (currency, stock, bonds)

Habitat for Humanity

Habitat for Humanity addresses issues of poverty housing by incorporating the concept of “partnership housing.” In this concept, needy families work side by side to build decent homes.

The building costs for these homes comes from “The Funds for Humanity.” Funds for Humanity come from homeowner payments, no-interest loans.

Habitat for Humanity works with the community to build a better community.

Carpenters' Club

The dream of the Carpenter's Club is to provide decent housing for all families in the North Collin County area. Carpenters are essential to each project. One way Carpenters can give a hand is by making a pledge. Help give families a hand!

Carpenters' Pledge

We are looking for Carpenters to put \$25 down on each Habitat house. Your donation, combined with the donations of other Carpenter Club members, will provide the basis to begin construction on the next Habitat house.

Our goal is to reach North Collin County with 1,000 Carpenter's Club Members.

Yes! I want to join the Carpenters' Club

Please send to:
North Collin County Habitat for Humanity
P.O. Box 153
McKinney, TX 75070

You can count on me for:
 \$25, \$50, \$100, \$500,
 \$1,000 Other \$ _____
Each time North Collin County Habitat completes a house.

I am willing to make an initial gift of \$ _____
